Ariel lives underwater in Atlantica.

How many fish can you find?

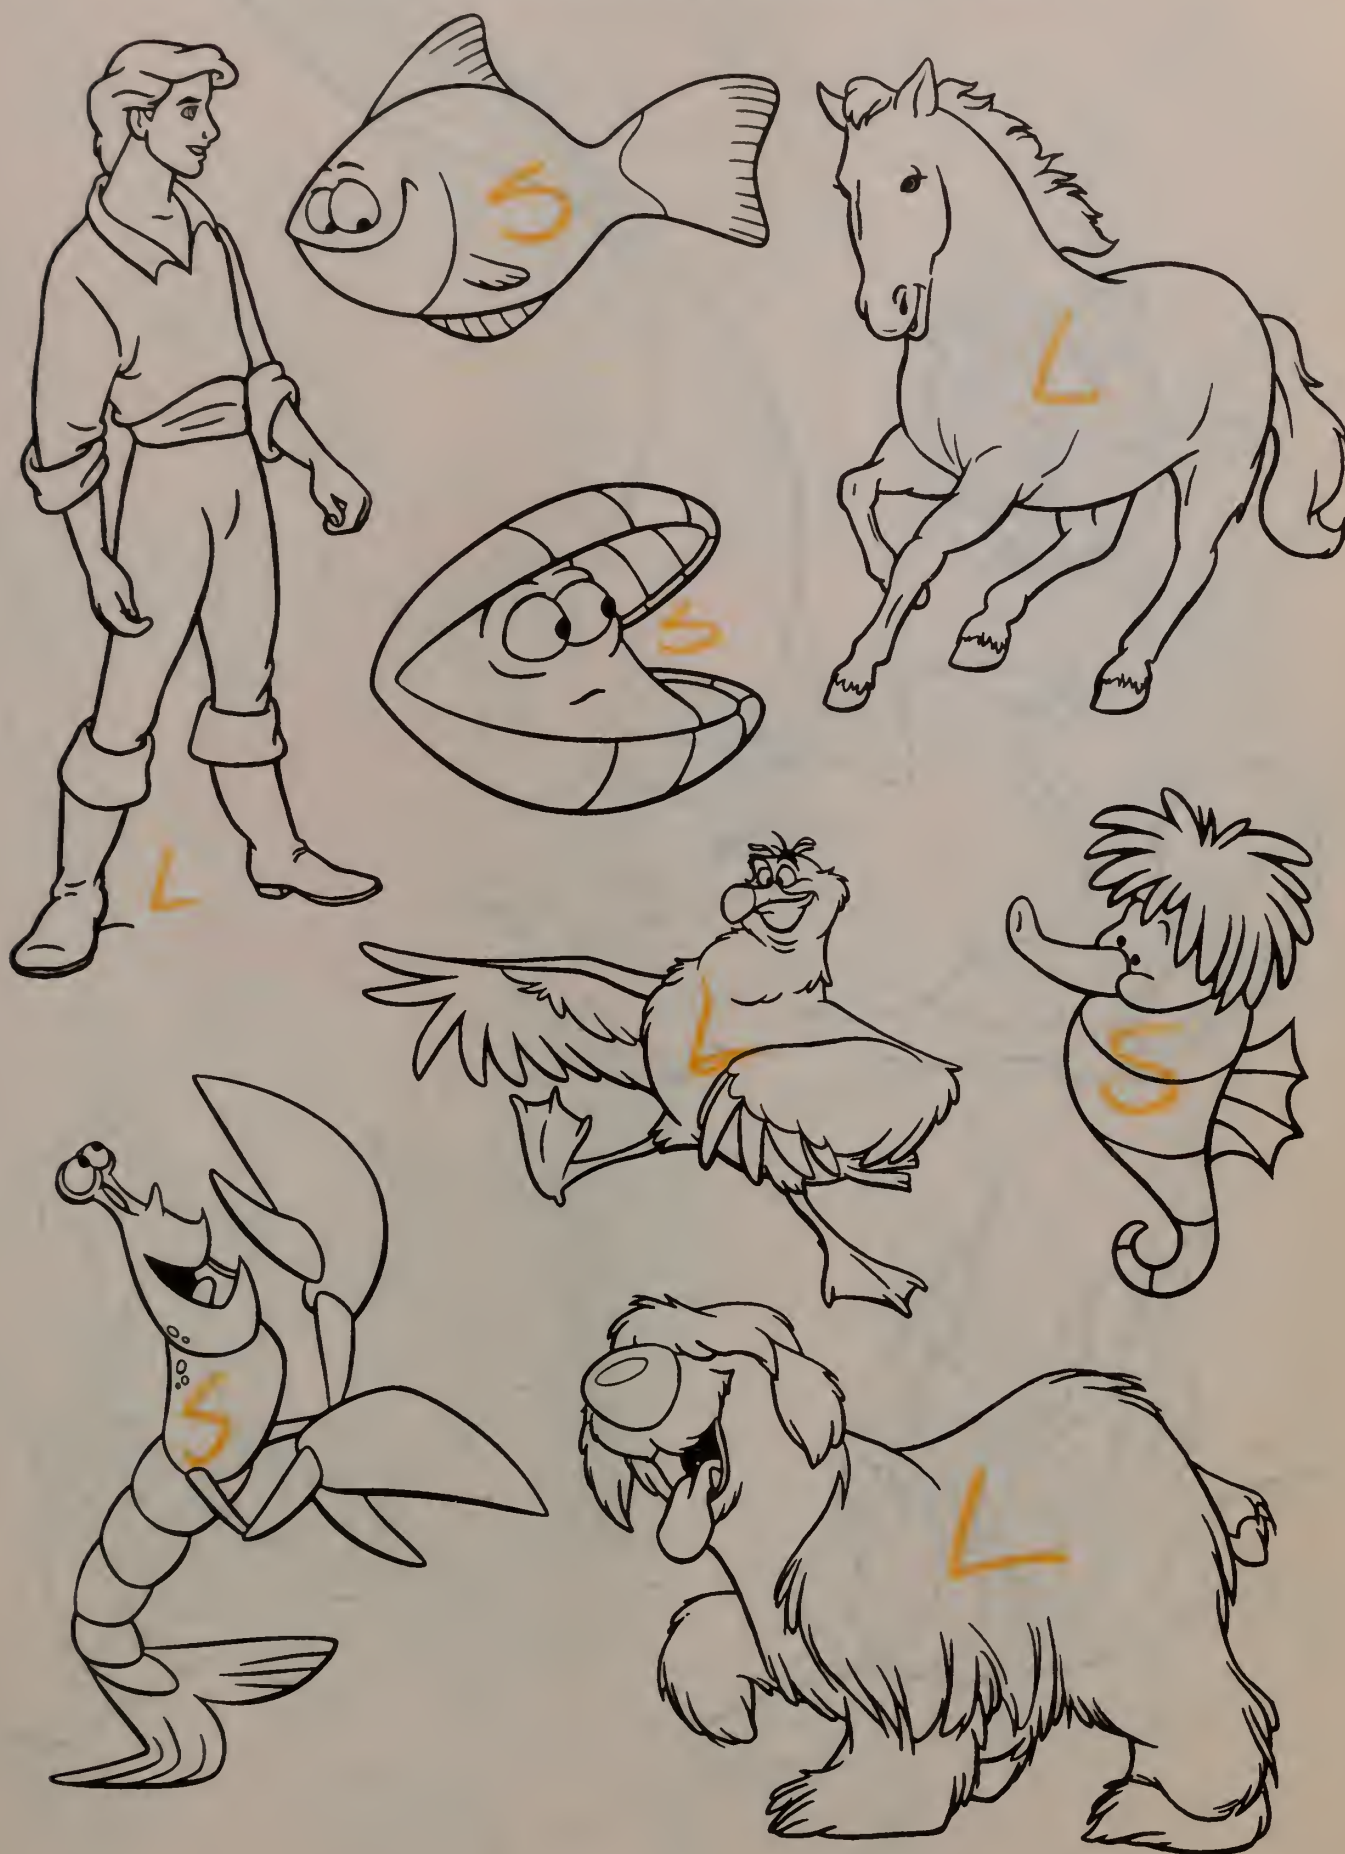

Eric lives on land.

Who lives on land? Who lives in the sea?

Label each animal: **L** = land **S** = sea.

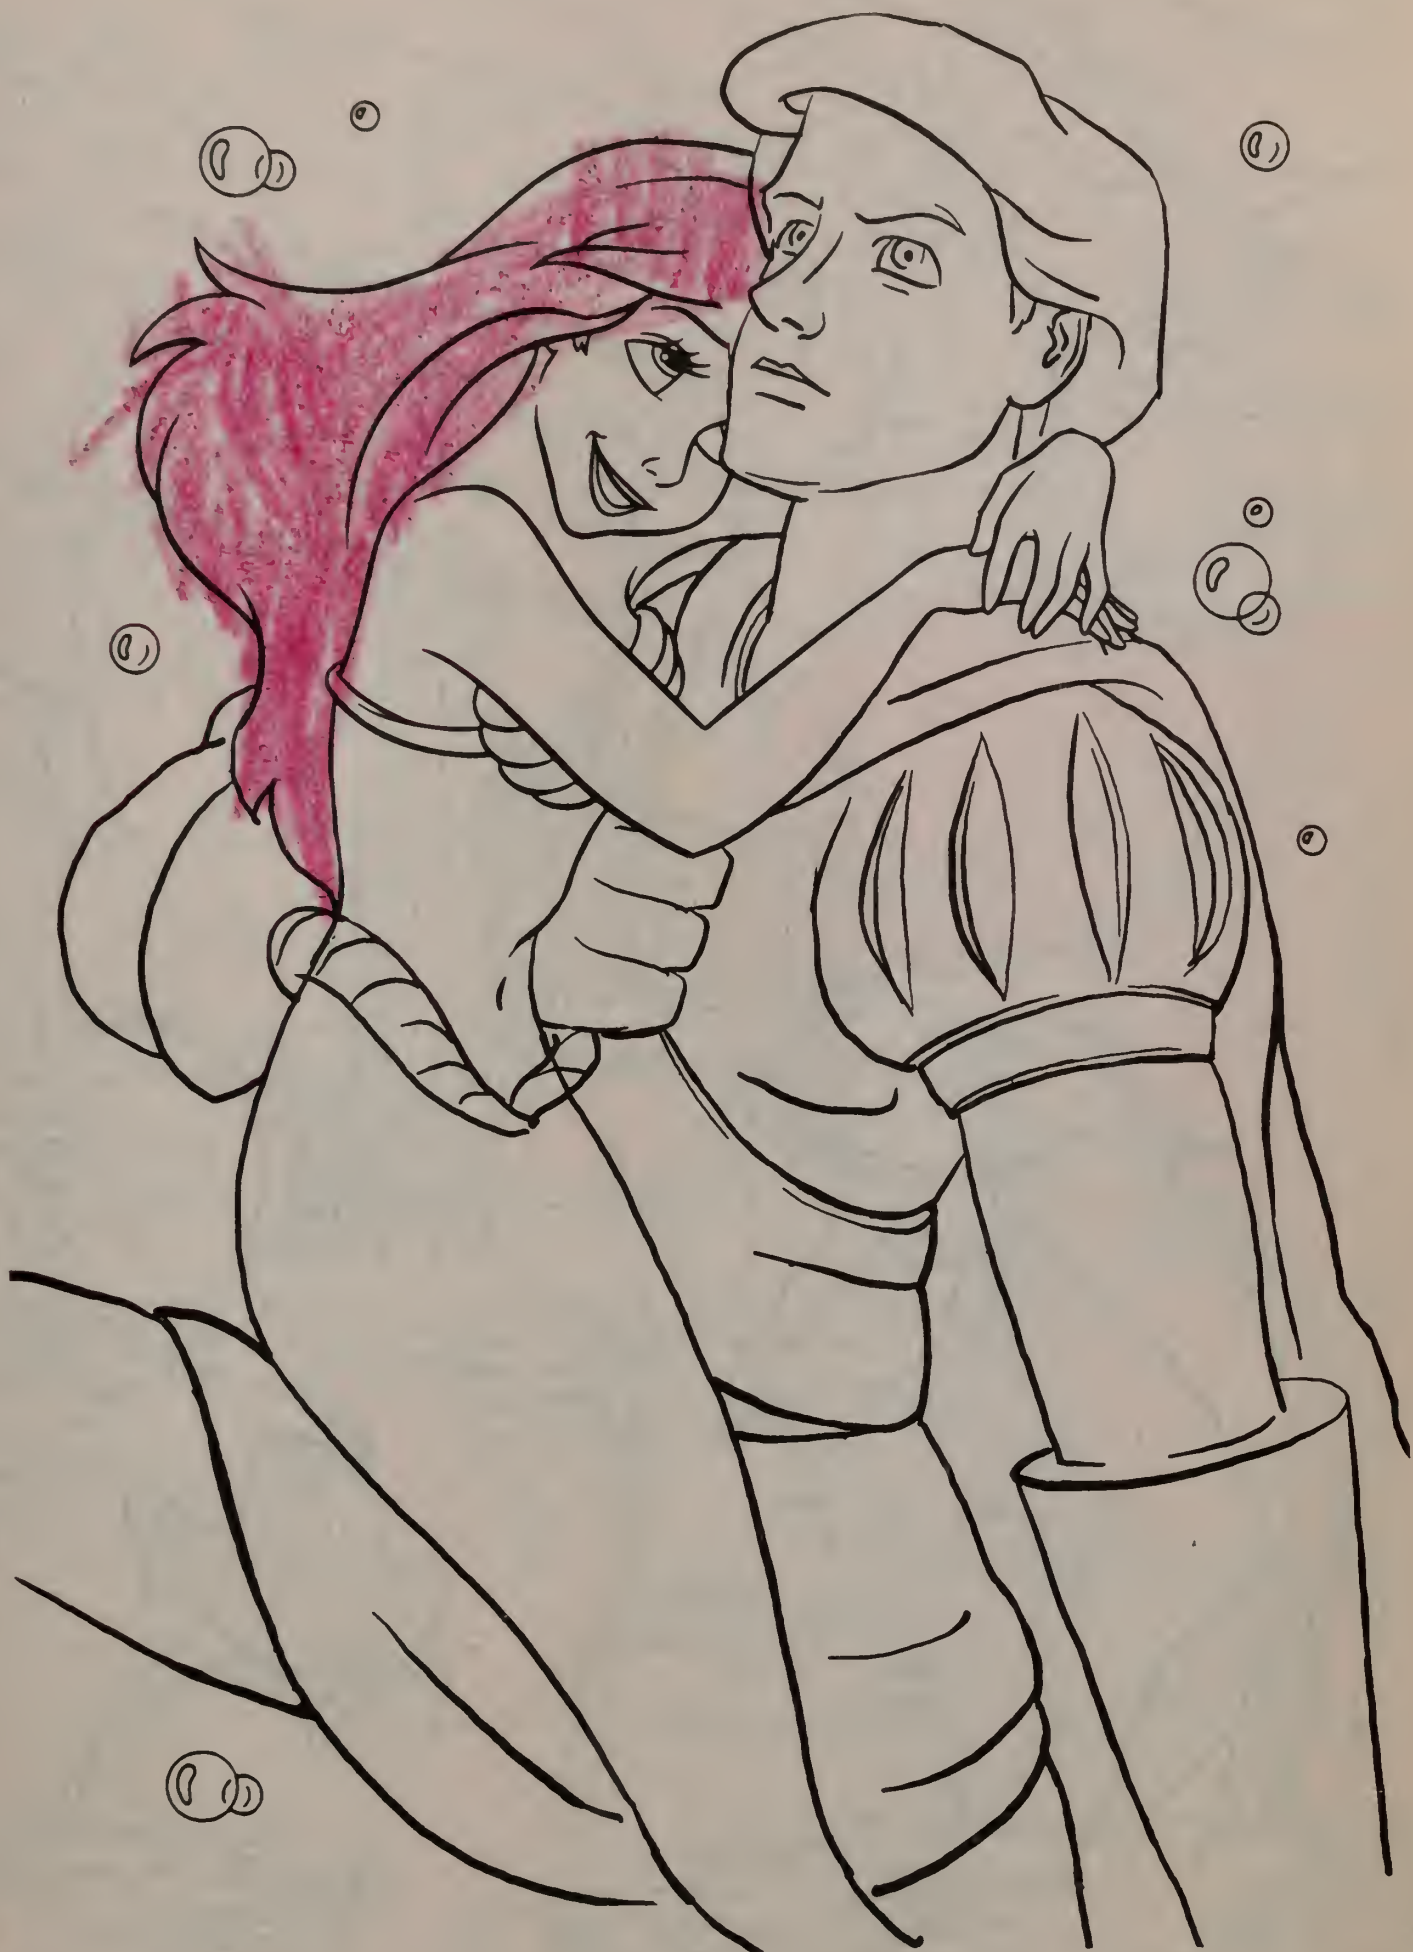

Ariel loves things from the human world.

A vibrant, cartoon-style illustration of Ariel from Disney's 'The Little Mermaid'. She has long, flowing red hair and is wearing her signature purple seashell bikini top and a green mermaid tail. She is smiling and waving her right hand towards Flounder, a small yellow and white striped fish who is also smiling. They are in an underwater setting with various pieces of treasure scattered around, including a crown, a clock, a vase, and a treasure chest. The background is a light blue-grey color with some darker blue lines suggesting rocks or coral. The overall style is whimsical and child-friendly.

Ariel's favorite treasure is a statue . . .

... of Eric!

When Ariel sees Eric's ship . . .

... it's love at first sight!

Eric's music gets Ariel's attention.

When Eric is tossed overboard, Ariel saves his life!
